

✓**YES! I need some EXTRA CASH for this holiday season. Please defer my consumer loan payment for either the month of December 2018 or January 2019.**

I understand that the terms and conditions of my loan agreement will apply except that there will not be any regular monthly payment required during either December 2018 or January 2019. Thereafter, I must make my regular monthly payment. I understand that finance charges will continue to accrue during the deferral month, that deferral of my regular monthly payments will result in my having to pay higher total finance charges, and that my loan repayment schedule will be extended. ***I understand that I will be charged \$20 per loan skipped.*** I also understand that you reserve the right to terminate or deny this offer if my financial status changes or I do not qualify because of past history on/after the date of this offer.

Please return this request form at least two weeks prior to your monthly due date.
