Your Credit Union Works for YOUR community

We believe in growing relationships, family and community. We are proud to contribute to our community. What we have been doing or will be helping with in 2022

- Junior Achievement - Bowled for annual fund raiser, and Spring/Fall classroom instructors
- Small town Perry, Iowa - We continuously represent your area's community events like the February BURRRR bike ride
- This was our third year of sponsoring the Downtown Davenport Partnership's ICE EXTRAVAGANZA - serving hot cocoa with a smile
- Ganzo's Cinco De Mayo - we love to help our west end business neighbor with their May 7th, 5K run and outdoor festival
- We continue to help our Family Museum Friends; upcoming Night at the Museum fund raiser on April 23, and their annual week long Halloween happenings
- United Way contributors and participating in the Read United program at area elementary schools
- Our seventh year of partnership with five area family venues for the popular QC Monday's Discount Days: Family Museum, Putnam Museum, QC Botanical Center, Moline Aquatic and Red Hawk Golf. This year's dates are tentatively June 20, June 27, July 11, 18 & 25
- We enjoy our partnership with Muscatine's Almost Friday Fest
- Find us at the Mississippi Valley Blues Fest, September 16 - 17

We are also passionate about Credit Union Advocacy and continue to be strong supporters. As not-for-profit financial cooperatives, credit unions put people before profits. Because you're a member-owner, it is important to know about policy proposals and actions that could affect you. And because we are all stronger together. Discounted Adventureland tickets help! Sales will begin in May.
