

PAW IT FORWARD

Finance a Car. Feed a Cause.

How it works

This **August and September**, get a new auto loan through TFCU (for any new *or* used vehicle), and we'll donate **\$25 to a local animal shelter!**

Plus, stop by any branch to **pick up free dog or cat treats**—just because we love your pets too!

What's Happening

Debit Card Update- Car Rentals

Effective **August 1**, TFCU debit cards will no longer be accepted for vehicle rental transactions due to increased fraud. Most rental agencies now require a credit card. If you need help selecting the right TFCU credit card, our team is happy to help.

Employee Spotlight: Meet Andrea Poell!

Say hello to Andrea Poell, our Internal Auditor- affectionately known as "The Bad Guy" or "The Fun Police" (all in good fun, of course!)

Since joining TFCU in February, Andrea's kept us secure and compliant- catching up on five months of audits in just her first month! She loves the family feel of the team and stays busy outside of work cheering on her boys at travel baseball games, baking, and cuddling up with her dogs while binge-watching Netflix.

Oh- and if you've seen Kirby Kangaroo dancing at an event... that might've been Andrea!
